# Hello & Welcome

You will also find information on several different options available to you to assist in covering your fees. There is an opportunity for everyone, and we'd love to make the burden of these fees a little lighter!

## SKYRIDGE FOOTBALL FUNDRAISING MADE EASY

### How it works

All fundraisers will be run through the website Schoolfundr. Over the course of the next few months, we will offer multiple ways for players to earn money into their Schoolfundr account. Each different event will deposit money into one central account for the individual player.

As we approach the main due date of August 8<sup>th</sup>, we will deduct the total funds earned in their account from their player fees, to determine any remaining balance owed. That balance will then become available for payment through *MySchoolfees*.

Each fundraiser our team will participate in is listed on the infographic to the right. There will likely be a couple smaller-scale opportunities that pop up over the course of summer as well.

There are several opportunities for players to raise funds for their season fees. This guide will help you understand all the options available to you. The app *Schoolfundr* will assist you in tracking totals earned from the various methods below.

### 1 Sponsorship

Players can ask a business to sponsor them, providing a mutually beneficial experience for both the business and player. The player receives 50% of the cost of the sponsorship package the company chooses.

### 2 Falcon Cards

Falcon cards are our football discount cards with deals to many local restaurants. Players can ask friends, family, knock door-to-door - to sell as many cards as they can! We will provide a couple selling events for the team to encourage and boost sales.

### 3 Lift-a-thon

Call up long-distance relatives and friends (or local ones too!) and ask them to pledge a percentage donation based on your lifting performance. Flat donations are accepted as well. Event takes place May 12-15th

### 4 Auction Items

Players can ask for an item to be donated which will be sold in our Orange and Gray auction. The player will receive the full sale amount of the item sold. Multiple items can be brought per player.

**Having an account on Schoolfundr is crucial to this entire process! If you have not yet created one, log onto:**

The sponsorship information to the right can be found at:

<https://app.schoolfundr.org/fund/shsfootballsponsors25>

There you can also access the form a business will fill out.

Players will receive a credit onto their schoolfundr account for 50% of the cost of the sponsorship package they sell. Any business, doctor or dentist you frequent could be a great candidate to ask!
